

Make it your own

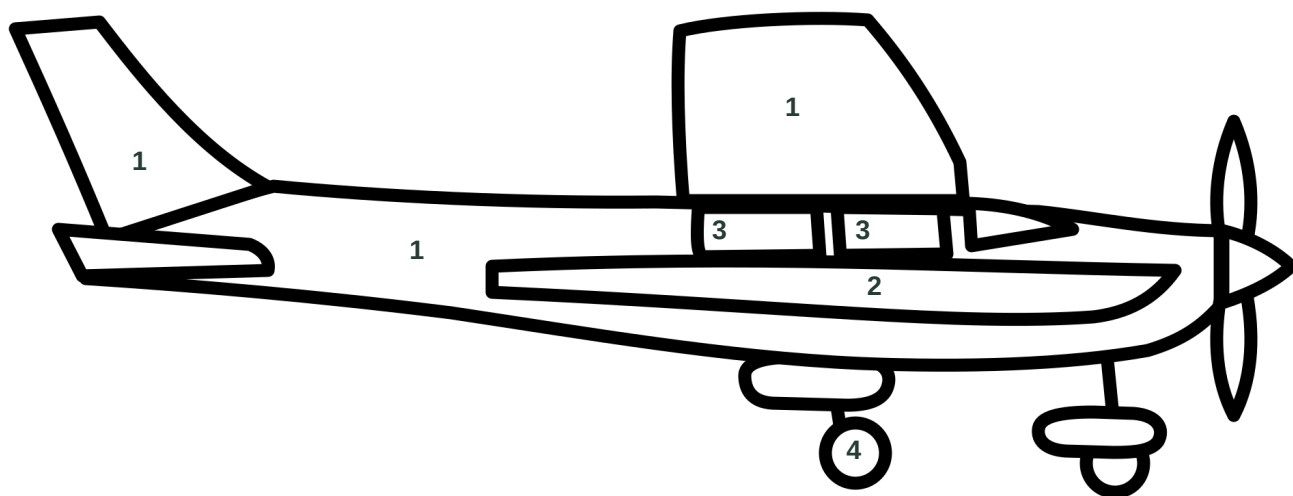

Choose your favourite colours. Keep the details that make this picture yours.

Made by: _____

Colour by number

Match numbers to the key. Choose colours for small unnumbered details.

● 1 Light grey

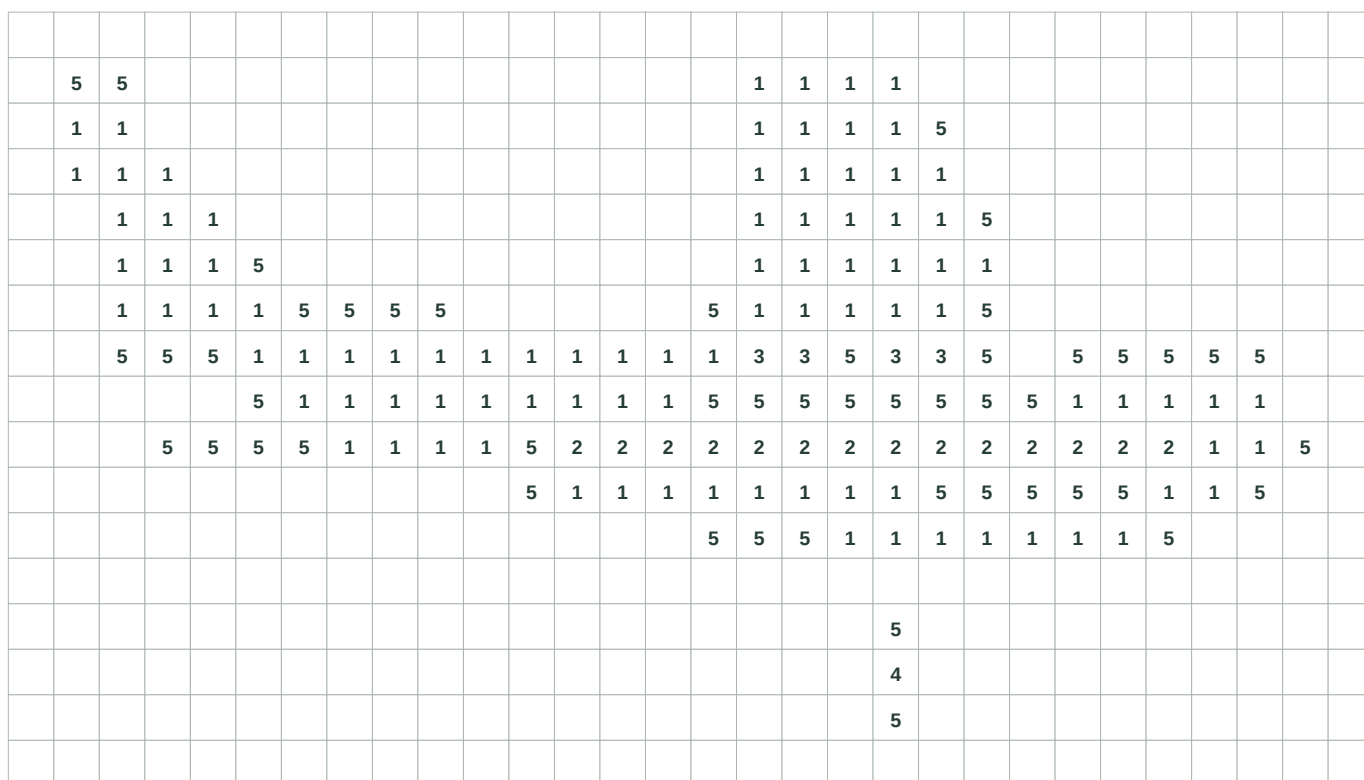

● 2 Blue

● 3 Sky blue

● 4 Charcoal

Reveal the mosaic

Colour each numbered square. Blank squares stay white.

● 1 Light grey

● 2 Blue

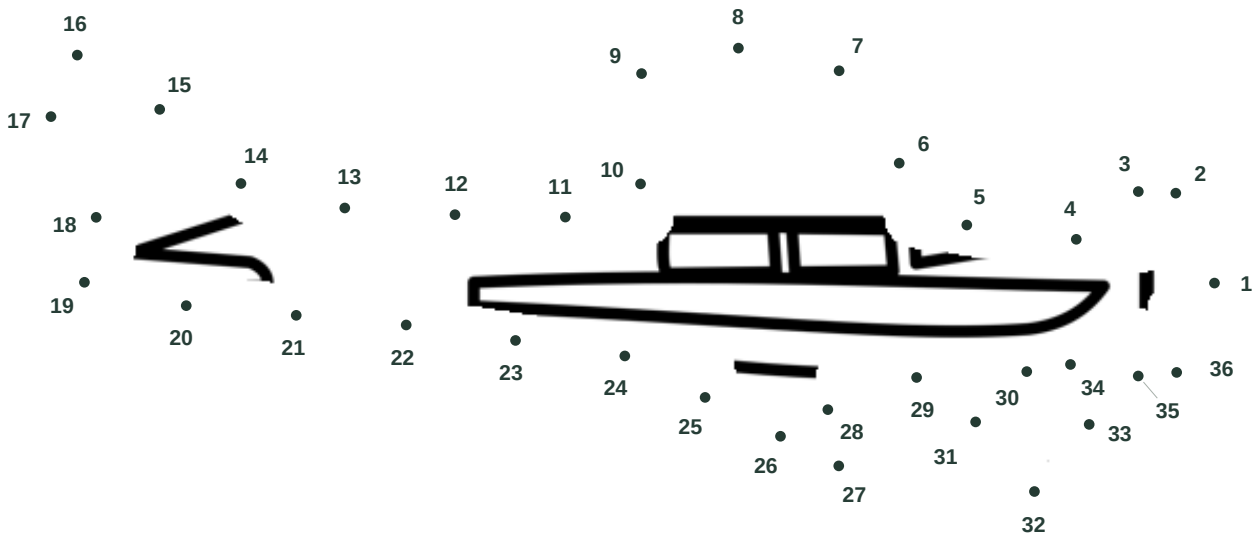

● 3 Sky blue

- 4 Charcoal

● 5 Dark ink

Follow the numbers

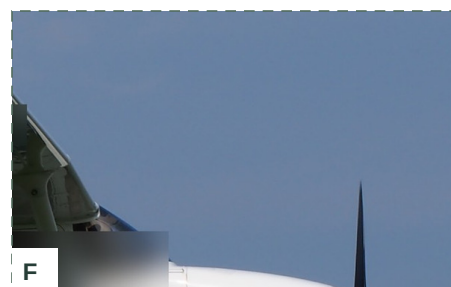

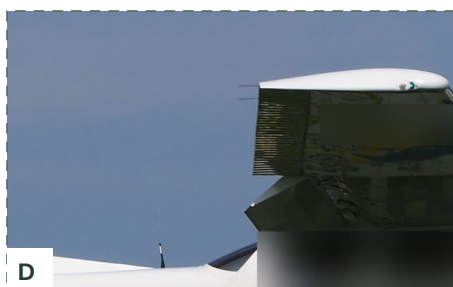

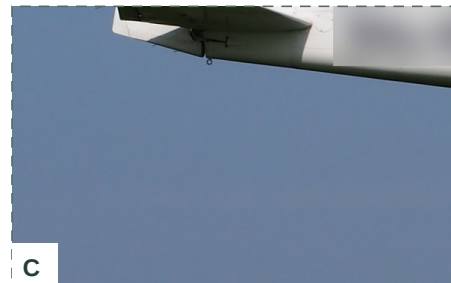

Join 1 to 36 in order, then back to 1. The inside details are your clues.

Follow the photographed subject: its face and inner details stay visible.

Cut, mix & build

Ask a grown-up to cut the six pieces. Mix them, then rebuild the original picture.

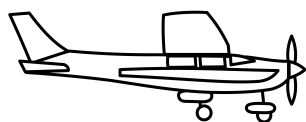

Print this page in colour if possible. Use scrap paper as your puzzle board.

Draw the next chapter

Imagine where this friend or favourite thing goes next.

First...

Then...

At the end...

Draw, tell or write. There is no single right answer.

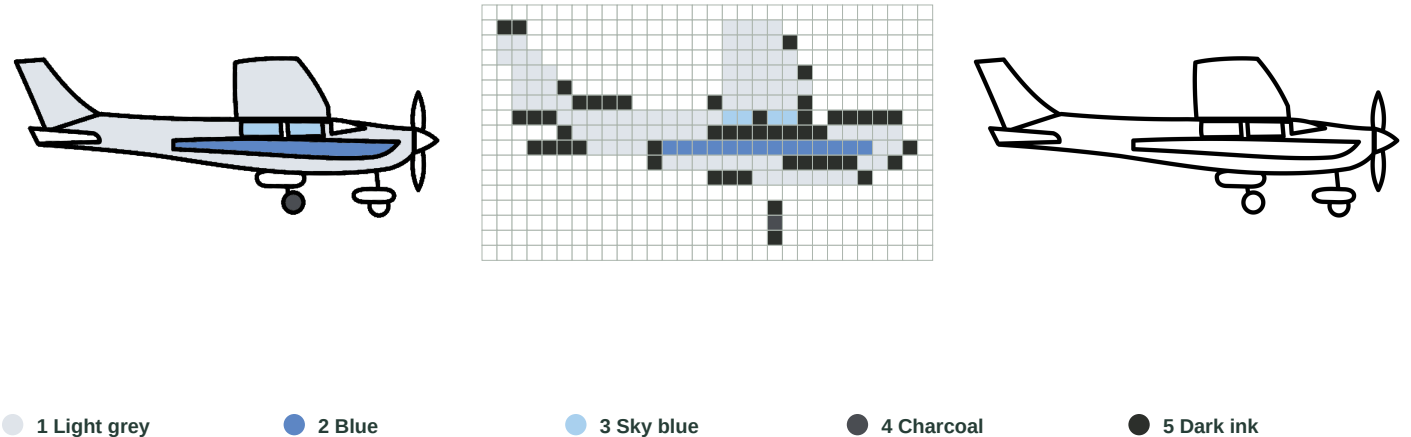

A little help for grown-ups

Six activities plus this separate answer and source guide.

NUMBER COLOURS

MOSAIC ANSWER

DOT OUTLINE

PUZZLE: top B - D - F / bottom C - A - E

Colour and number pages retain the same reviewed line art as the input comparison.
Mosaic colours come from its reviewed regions; dots follow its actual outside contour.
Mosaic simplifies small details. Puzzle uses a print-sized copy of the original input.
Print pages 1-6, single-sided, at 100%. Choose Fit if your printer clips an edge.
Colour names remain readable on a black-and-white printer. Adults handle scissors.
Real licensed photo; hand-traced vector line art.
Prepared sample: not proof of exact likeness or automatic photo conversion.
